Super arcade racing full version apk

Super Arcade Racing is a retro inspired super fun racing game that gives you a pure experience of real entertainment gameplay. Simple controls and tons of fun with classic top-down 2D viewing, amazing pixel art and iconic soundtrack, along with a fascinating story and over 80 levels to play. Get ready to enter the underground car racing world, hoping to save your brother. It will be dangerous, but participating in the secret super entertainment contest will be his only chance to see his little brother again and solve the mystery behind the organization that kidnapped him. You will have a car for upgrades and personalization after each race, with new parts to go faster, get more and better control. You will meet dark rivals and deceive enemies. Defeat them and clear their path to the final victory. Along the way, you may discover something more about yourself. The only playerThe player mode only has 60 levels to go through, with the fictional line running alongside and bosses hard to defeat. And in keeping with the spirit of entertainment, try and explore the levels of hide the map! The garage visits the garage to upgrade or change your car. Your trusted uncle will help you boost with both cosmetic and performing modifications. Customizable: Infinite car changes! You have 1 car to run with and it will be your most valuable ally. Make it better and make it unique. Earn money for each race and spend your cash on new exhausts, tighter brakes, better tires and even a more powerful engine. You will gain better control of your car, speed more and spike your chances of winning. You can also choose the color of your car and change the organs for full personalization. Teach MODEGet to know the tracks before challenging your opponents to faster and better, cut corners and equip your car at best for it setting. The more you play, the better you know your car: how it reacts to certain tracks and conditions, how it handles acceleration and drift. You will see your previous performance in the form of a ghost car during the race, give you a reference and help you get better. LOCATIONSDrive on city roads, across deserts and in forests; different modes (circuit, challenge and follow-up called some), obstacles and multi-track hide maps. You have to race in the snow, in the rain and many more. Fun ELEMENTSMind that cones and avoid oil on the road. Jump on ramps and discover hidden shortcuts and passages. THE FASCINATING, ASTONISHING STORYEXPECT IS UNEXPECTED. Racing after the race you'll know a little more about the underground world of Super Entertainment Racing, its dark running organization and who (or what) is behind Martin's kidnapping. Real ARCADEYou doesn't need special skills to drive, but you will get better the more you play. Simple tracks and circuits and only 2 buttons to accelerate and brake, providing pure fun real entertainment gameplay. Original Pixel ARTSuper entertainment will bring magic racing of our 16-bit pixel graphics Lover in the late '80s. Beautifully drawn pixel illustrations and animations will give you a nostalgic feel of the classic game. SoundtrackImmerse's iconic is composed in the space of those most loved car racing movies, TV series and video games from the '80s and '90s with an inspired soundtrack originally composed for super entertainment racing, playing in a custom midi tracker system. LEADERBOARDSEvery level has its own leaderboard and every leaderboard has its own hero. You're gonna be the fastest? MULTIPLAYER10 online has opened exclusively levels designed for online multiplayer racing, plus all levels of your story.
